

Just wanted to thank you again for a FANTASTIC trip! Once again, the kids (and Trish and I!) had a great time! You know exactly how to plan super activities at the perfect pace!!! The food was delicious, the transportation outstanding and everyone loved the show...

Anyway, once again you helped give our graduates a fabulous experience and I am most grateful!

Thanks soooo much! - Cathy, Ma

Every time I think about all of the things you did to make our trip to DC so amazing and memorable, you do something else above and beyond. Lori and I both agree we would never do any student travel with anyone else because nothing could compare to the experience we had.

Just being able to take care of everything for us. We could enjoy the trip and be more attentive to the sights and learning with the GO leader doing the organization of things. Colleen was amazing!

-Aaron, Vt

I enjoy working with the GO staff and trust that they will help craft a successful trip.
